

LOCAL AND GENERAL.

Lodge meetings are all the rage now.

Miss Lottie Beckley is quite ill.

The Bishop Museum will be open tomorrow and Saturday.

Captain J. W. Pratt is engaged breaking in a Tribune wheel.

The Lolita Social Club and its friends will dance at Arion hall tonight.

One may enter the valleys now without fear of being turned back by the guards.

The Dickson premises on Beretania street have been leased for a family hotel.

Captain Carter's cavalry company has fifteen new members since the epidemic.

The long-expected iron work for the Von Holt building arrived on the Albert yesterday.

The Beretania street tennis courts will be given up to the fair sex tomorrow after 2 p. m.

Bruce Waring & Co. say they are disposing of two or three lots a day in their Punahou tract.

The Hawaiian band will play at the Executive building grounds tomorrow afternoon from 4 to 5.

The Young Hawaiian's Institute will elect officers and transact other business tonight at 7:30.

Yesterday afternoon's band concert took a number of visitors to the grounds of the government building.

W. S. Bartlett will give up the lease of Ilaniwai on the first of November and engage in other business.

Several lay brothers from a Catholic College in France are on their way to the islands for work on Molokai.

Two sailors on the Marie Hackfeld narrowly escaped being struck by a falling slingful of railroad iron.

The Salvation Army will introduce tableaux as an extra attraction to draw a crowd to their tent on Saturday nights.

The bark Albert brought no passengers. The cholera was too much for the sick who had engaged passage.

Two fine Durham bulls, imported by Paul Isenberg for his Waiata ranch, arrived on the Albert in good condition.

Fish can only be sold at the new market, and it is suggested that it should never be sold anywhere else in this city.

It pays to advertise in the BULLETIN because everybody reads everything in the paper, including the advertisements.

It is said the prospects for the early extension of the Oahu railroad from Waiata to Kahuku are more than excellent.

All the employees of the cholera hospital have been dismissed except C. J. Whitney and one guard, both of whom must feel lonesome.

One of Henry Davis's fat turkeys is the proper thing to eat on Thanksgiving day. Afterwards the football game will be enjoyable.

The Lei Ilima Club will give a dance at Independence Park tomorrow evening, and has engaged the Kawaiian club for the occasion.

Both the editorial and local columns of the BULLETIN are receiving much commendation, which encourages the scribes to do better.

Residents of the Armstrong block on King street will be arrested and fined for failing to use the earth containers furnished by the Board of Health.

Correspondents of the BULLETIN should hand in their communications early in the day to insure publication. All display advertisements should be sent to the business office before noon of each day. Reading and "By Authority" notices may be sent in any time up to 2 p. m.

A number of residents of Ewa and Pearl City came up on the train last night for the first time since they declared a quarantine against this city. They say that when the next epidemic comes along they will abide by the decision of the Board of Health, or at any rate lay in a stock of provisions before shutting themselves off from the world.

J. L. Carter is well enough to be about this morning.

Carl Willing is up from his Pearl City pineapple ranch.

The shipment of barley from San Francisco to Hawaii amounted to 7719 cents during the month of July last.

J. J. Egan displays a fine lot of wheelmen's goods, such as sweaters, stockings and shirts, in one of his show windows.

There were few buyers present at the sale of the late Arthur Peterson's library and effects at auction this morning.

A local politician says that one of the surprises of the next election will be a combination of Hawaiian kanakas against white kanakas.

Dr. Pu Ying Ping's application to practice medicine has been laid over for a time, and the chances are he will have to stand an examination, "altee same white doctor."

The people of the United States use on an average 12,000,000 postage stamps of all kinds each and every day of the year, or a total of about 4,380,000,000 per annum.

Pupils of the new High School are not allowed to use the Emma street entrance, but are forced to reach the building through a lane at the rear, much to their general disgust.

The Pacific Hardware Company call attention to Prof. Humboldt's anti-explosive compound for use in kerosene lamps and to the New Ideal sewing machine, for both of which they are agents.

The Hawaiian Fruit and Packing Company will make its first shipment of canned pineapples this month. It is hoped the products of this company will find ready sale in San Francisco and other Coast cities.

G. R. Harrison, practical pianist and organ maker and tuner, can furnish best factory references. Orders left at Hawaiian News Co. will receive prompt attention. All work guaranteed to be the same as done in factory.

A. G. M. Robertson, F. W. McKinney and Judge Cooper have been appointed a commission to examine and report on the system of land transfers and registry of deeds now in force, with the view of substituting something less intricate and cumbersome.

A. J. Elling, of Georgetown, Washington, writes to the Board of Health volunteering his services as a cholera nurse. He will be informed there is neither a vacancy nor cholera. A lady volunteer's application to go to Molokai was also refused by the Board.

The finest grade of organdies at the Temple of Fashion clearance sale has been reduced from 50cts. to 35cts. per yard, and the next grade has been reduced from 35cts. to 25cts. per yard. These goods can be bought at this figure Thursday, Friday and Saturday only.

While the bark Matilda was being hauled on the marine railway a link in the chain broke. The ways had not proceeded far up on the track at the time, so that no serious result was caused by the accident. A new link was soon inserted and the vessel was safely brought up high and dry.

Mention is made in an evening contemporary of the avenue of palms in the grounds of the Queen's Hospital in a way which would lead one to infer that it was one of the finest in the world. In the Botanical Gardens of Rio Janeiro, the beautiful capital of Brazil, is an avenue of palms over two miles in length and averaging over eighty feet in height.

D. Howard Hitchcock has returned to town and is located at his studio at the corner of Hotel and Fort streets upstairs, entrance on Hotel street, where he has reopened his classes in drawing and painting. Studio afternoon at homes Fridays from 2 p. m. to 4 p. m. Visitors always welcome.

The Temple of Fashion has an immense stock of dotted Swiss muslins 45 inches wide, former price 50c. They are now selling for 35c per yard. Another quality that sold for 35c has been reduced to 25c per yard. This offer holds good for Thursday, Friday and Saturday of this week only.

Hereafter the BULLETIN will be issued earlier.

No official resumption of traffic on the Oahu railway has yet been made.

Bruce Waring & Co. offer a Densmore typewriter in good order for sale.

Ten shares of Woodlawn Fruit Co's stock sold at auction yesterday at \$12.00.

The Board of Health meets at 3:30 to receive the report of the fish committee.

Captain Parker arrested Ah Tuck this morning for an assault on a countryman.

Merchants are wishing they could always be as busy as they have been this week.

The Board of Directors of the Healan Yacht and Boat Club will meet this evening.

The Likeliest will call at Onomea on her next trip, but for the delivery of mails only.

Subscriptions are pouring in for the EVENING BULLETIN, the nearest, newsiest paper in town.

John Doe, alias Cha Chong, was arrested by special officer Ah Fat this morning for maintaining a disorderly house.

Goo York advertises that the mortgage held by him against Mow Sing Wai, on land at Moanaloa, has been fully satisfied.

Agent Jack Lucas has taken the acknowledgments to the contracts of the 339 Chinese who arrived under such by the China.

A keen legal battle is anticipated in legal circles over the life insurance case ordered returned from the Circuit to the Supreme Court.

Subscribers to the BULLETIN who do not receive their papers regularly before 5 p. m. each day will confer a favor by reporting at once to the office.

Work is being carried on simultaneously on the construction of the beach boulevard and the Queen street extension and on repairs to the Punchbowl and Tantalus roads.

The afternoon session of Judge Perry's court yesterday was occupied with the trial of the suit of J. Correa to recover the sum of \$74.17 from W. H. Cummings. The case will be taken up again this afternoon.

A second circular of "Wines at the Bordeaux Exhibition" has been received from Mons. Vizzavona, acting Commissioner for France. It gives figures to show that France still leads as a wine-producing country.

There will be a practice game of lacrosse on the League baseball grounds at 5 o'clock tomorrow afternoon. Some "back numbers" of scrub teams who played in Canada many years ago have been asked to take a "stick."

Viggo Jacobsen, shipping inspector, is keeping his eyes on any stray microbes around Queen street. He finds it a pleasant relaxation from his usual vocation and does not fear that his brain will give way under the strain put upon it.

White muslins figured and striped and of the finest quality can be had in any quantity at the Temple of Fashion clearance sale. The 40 ct goods are now 25cts, the 25ct prices have been marked down to 16cts and you can buy for 10cts per yard all that were formerly 16cts. These prices hold for Thursday, Friday and Saturday of this week.

Tomorrow's Docket.

An answer will be due in the Circuit Court tomorrow to the complaint of Hawaiian Commercial and Sugar Company against Claus Spreckels. Petitions for discharge of assignees in the following bankruptcy cases will be due for hearing at 10 a. m. Other matters for tomorrow are probate of the will of Nakakiki, passing on accounts of estate Maria Comacho, and a hearing of Kalaehao vs. Achi.

Weak and Nervous

Describes the condition of thousands of people at this season. They have no appetite, cannot sleep, and complain of the prostrating effect of warmer weather. This condition may be remedied by Hood's Sarsaparilla, which creates an appetite and tones up all the organs. It gives good health by making the blood pure.

Hood's PILLS are the best after-dinner pills, assist digestion, cure headache. 115-11

Increase of Water Rate Payers.

Major J. W. Pratt, clerk of the Water Works, says the number of connections has greatly increased in the last six or eight weeks. The starting of the pumping station in regular operation, and the necessity of having pure water for household purposes in view of the cholera visit, are given as probable reasons for the increase. The pump supplies the Judd hill and Waikiki reservoirs, while keeping the mains replete through the day, so that enough water is stored to enable the pump to cease operations at 9 o'clock nightly. It starts up again at 6 or 7 in the morning.

New Adherents.

The following named persons have recently taken the oath to support the constitution and laws of the republic, and to not encourage or assist in the restoration of a monarchical form of government:

G. W. Macy, James Spencer, Frank Metcalf, Dan Kealoha and eight others, Hawaiian; Eugene B. Lee, Henry C. Morton, A. Stephanus Humphreys, William Edmund Barry, American; Geo. Thomas Porter, British.

Children in the public schools do not agree with boiled water without its being iced. Those in the High School have been told if they each contribute five cents a month ice will be put in the water.

New Advertisements.

Yale's La Freckla

is Mme. Yale's infallible cure of Freckles, Tan and Sunburn. It is the only remedy ever compounded that will remove freckles completely and surely.

The fairer and more delicate skin, the more likely it is to freckle and the worse it will look after it is freckled.

Thousands of women, otherwise beautiful, are disfigured by these unsightly, brown blotches. Nothing will hide them. They are a source of misery, but they can be cured. La Freckla is the death-warrant to freckles. The preparation of La Freckla is one of Mme. Yale's greatest achievements. There are many imitations, some of them very dangerous and hurtful to the skin; none of them really effective. For safety and certainty, insist always on getting the genuine and original La Freckla.

BENSON, SMITH & CO.

Home Seekers

Our new tract of land has just been platted and is now on the market. These building sites are located opposite Punahou College, facing on Makiki and Punahou streets and Wilder Avenue. We claim every advantage for these lots; they are on the car line, they have city water, they have fine shade trees; the finest residence portion of the city is located around Punahou College, and the magnificent view can never be shut out by other buildings; the elevation is high and entirely suitable for residence purposes. The lots are 75 ft front and 125 ft deep, and the terms can be had on application.
